EDUCATION

Bachelor of Computer Science (Software Engineering), Multimedia University
April 2020 – August 2023 | Cyberjaya, Malaysia
Grade: 3.65 CGPA

Foundation in IT, Multimedia University
April 2019 – April 2020 | Cyberjaya, Malaysia
Grade: 3.27 CGPA

PROFESSIONAL EXPERIENCE

Huawei Technologies, Network Maintenance Intern
May 2022 – August 2022 | Kuala Lumpur, Malaysia

- Studied maintenance procedure related to the service operation that cause changes to the customer live network device (software/hardware), live network structure and live network configuration
- Practiced Network Safety Policies in daily operation.
- Assisted Celcom Team with developing a dashboard using Microsoft Power BI
- Merged and organized customer information spreadsheets using Microsoft Excel
- Got to know internal tools for Huawei dashboard creation as well as implementation with Python and SQL

PROJECTS

Final Year Project, Evaluway Real Time Evaluation System
August 2022 – August 2023
Web system designed to facilitate collaborative assessment of various materials, including images, videos and audio through the utilization of questionnaires and diverse voting mechanisms in order to generate real time analytics.

Technologies such as React and Firebase were utilized in the development of Evaluway's front and back end for Admin and User subsystems, as well as the hosting solution
